PROFILE

I am Prottoy Paul, a dedicated Software Engineering student at the University of Dhaka with a strong academic foundation in Physics, Chemistry, Mathematics, and ICT. From Notre Dame College to DU, my journey reflects a commitment to excellence and a passion for learning.

With expertise in classical mechanics, electromagnetism, chemical principles, and advanced mathematics, I combine analytical skills with practical experience in C programming, HTML, and CSS. I enjoy simplifying complex concepts and have a proven track record of helping students improve through tutoring and mentoring.

I aim to contribute my skills in both academics and technology to a dynamic and engaging learning environment.
